- **Medical Camp**

Medical dispensaries reach out to the remotest parts of the country to spread awareness on leprosy eradication. We have many sub-centers maintain hospitals and charitable dispensaries in both urban and rural areas all over the world. We also have the facility of mobile dispensaries that reach out to the far-away parts of the country.

HOSTEL

○ Child Education

Our society focused on providing education, food, and shelter for both boys and girls in the rural areas of Dediapada, Gujarat. We understand the need for education in rural and semi-urban areas is important as it will increase the development speed of the nation. That's why our Sangha operates many institutions in Gujarat to provide quality education to disadvantaged children.

Provide Shelter for Children

Bharat Sevashram is a well-known helping organization all over the world which provides shelter for distressed orphan children. Little children need care, affection, and love. With a homely ambiance, he or she can grow well and will learn a new pattern of life under the observation of the staff of Bharat Sevashram Sangha.
